

## Soft Drinks Survey 2014 - All Data

Data table sorted by category, alphabetically, highest sugar per 100g

Product information was collected online, instore or direct from manufacturers

Colour coding based on new front of pack traffic Light labelling criteria

Sugars - Red >13.5g/portion or >11.25g/100ml, Amber >2.5≤11.25/100ml, Green ≤2.25g/100ml

\*Serving size has been standardised to 330ml, regular can size. Although many varieties are available in a 330ml can size, some bottles provide 150ml, 250ml or 500ml as a serving size and have been recalculated as 330ml.
